## **Confessions of A Serial Asker** ***5 Insider Tips for Cultivating Relationships that Yield Humongous Results***

Relationships make the world go round but few of us were ever taught HOW to maximize our net worth through our network.

In just 60 minutes, Nicole Matthews shares her 5-tips on how to cultivate relationships that yield humongous results. Brimming with examples from her own personal success, this “serial asker” spills her insider secrets about how to catapult relationships into dollars in your bank account.

Join Nicole and discover how to:

1. Test if your relationships are helping or hurting your bank account
2. Avoid the #1 professional mistake that most women make and they don't even know!
3. Cultivate relationships you haven't even made yet!
4. Create your own revenue and media generating opportunities!
5. Master the easy techniques to authentically ask for help!

### **Meet Nicole Matthews: She Practices What She Teaches**

As an in-demand speaker on entrepreneurship and personal development, Nicole has presented across the globe, including Scotland and Mexico. She is also the author of *Permission: Stop Competing and Start Creating the Life You Want to Live*, and owner of The Henley Co, a global event, travel and lifestyle management firm. In all aspects of her work, Nicole champions the importance of designing an authentic and prosperous life!
